Addressing Challenges in Women's Health

11th | 12th

December 2024

Triumph Luxury Hotel,
New Cairo - Egypt

WELCOME MESSAGE

It gives me great pleasure to invite you to our 12th International ERC-RCOG conference, which will be held in Cairo on 11th – 12th December 2024 at Triumph Luxury Hotel, New Cairo – Egypt

This conference is organised by The International Representative Committee of the Royal College of Obstetricians and Gynaecologists (ERC-RCOG).

The meeting aims to address challenges in women's health & care in Egypt and the UK. It will feature presentations by internationally renowned speakers from the UK, Europe and across the globe, who are keen to share their expertise and knowledge in all aspects of women's health. The program will feature plenary sessions and parallel streams with a wide variety of topics on women's health, enabling you to tailor the program specifically to your own interests and clinical practice.

There will be several pre-Congress courses and hands-on workshops organized by the ERC-RCOG steering committee with international faculty. These include a Basic practical surgical and Obstetric skills course, a Laparoscopic hysterectomy workshop, an Ultrasound and Fetal medicine course, a Urogynecology and pelvic floor master class, a Vaginal hysterectomy workshop, Repair of third & fourth-degree perineal tear and hysteroscopic Surgery workshop.

Fellows, members and professors in Egypt together with Egyptian consultants from the UK are determined to make this meeting a memorable scientific event. More than six hundred Obstetricians and Gynecologists are expected to participate in the meeting, including Professors, Consultants, specialists and trainees from all over Egypt, as well as the neighbouring countries.

Please do not miss this opportunity and block the dates in your diaries for this event. I do look forward to welcoming you all in Cairo 2024.

Sincerely regards

Prof. Yasser Aboutaleb

**Chair of the International Representative Committee of the RCOG
Prof. of Obstetrics & Gynaecology
Ain Shams University
Army Collage of Medicine**
